Agri-Fab® lawn products are designed for homeowners who want a beautiful lawn, yet want the job of lawn care to be quick and easy. Agri-Fab’s quality and time-saving products will ensure you get the most out of your Garden Tractor, making lawn care easy, year after year.

SMARTLINK™ SYSTEM

The Agri-Fab SmartLINK™ system is an incredibly innovative system, which allows different tools to be fitted to one main attachment, ideal for fitting on lawn and garden tractors and other ride-on mowers. All of the SmartLINK™ tools are fitted to the master-platform (45-0473 SmartLINK™ Base) via a simple locking-mechanism - no tools required.

The 41” tractor-towed spike-type aerator (45-0458) achieves thorough soil-penetration and covers a substantial area efficiently.

The Core Aerator (45-0474) penetrates far more deeply than a surface-aerator, ensuring water, air and nutrients reach the whole root system. The 6 Aerator plugs are rust-proof for longevity.

When moss and thatch build-up on the surface of the lawn, the supply of nutrients and water is cut off, leaving the grass discoloured and unhealthy. The Tine Dethatcher (45-0457) will loosen and lift the offending growth, allowing the turf to breathe again.
## WHY USE AN AERATOR?
Aeration is the process of inserting holes in the ground which opens up the soil surface to let grass roots get the air and moisture it needs for healthy growth. When undertaken regularly, this process will leave you with an enviably lush and green-looking lawn.

### WHY USE A SPREADER?
Using a spreader allows you to have the most accurate and even distribution of seeds and fertilisers, getting the job done more efficiently and quickly. Agri-Fab has a variety of tow and push spreaders with a large range of capacities. Most models include pneumatic tyres for easy manoeuvrability on any surface.

45-0532 85lb Pro Push Spreader
- Push model
- 85 lbs / 39 kg capacity provides 14,000 sq.ft. coverage
- Poly hopper and spreader plate are rust proof
- Up to 10’ spread width for reliable coverage
- 10” Pneumatic tyres allow for smooth transport
- Direct rod control opens slide gate with precision
- Heavy duty On/Off control lever

RRP £189

WHY USE A TRAILER?
All Agri-Fab trailers are built to last and made to efficiently and easily carry the load. They are practical and sturdy with pneumatic tyres for easy manoeuvrability on any surface.

All the trailers are supplied with a universal hitch-pin, compatible with all makes of ride-on mowers and garden tractors.

45-0288 Tow Drop Spreader
- 175 lbs / 79 kg Drop Spreader
- Can cover up to 40,000 sq. ft – roughly 1 acre
- Ideal for seeding and the application of granular herbicides
- Hopper is made from rust-resistant poly for a longer working-life
- Galvanized steel agitator for even more durability
- Pneumatic tyres improve manoeuvrability

RRP £355

45-0329 ATV Spreader
- 175 lbs / 79 kg capacity provides 40,000 sq.ft. coverage
- Large poly hopper and spreader plate are rust proof
- 10’ / 304 cm to 12’ / 366 cm spread width
- 15” / 38 cm x 6” / 15 cm pneumatic turf tyres with ball bearings
- Spreader settings for multiple materials

RRP £399

45-0527 Tow Spreader
- 110lbs / 50 kg Broadcast Tow Spreader
- Smooth powder coated frame
- Poly Hopper and spreader plate are rust proof
- 17,500 sq ft coverage
- Large pneumatic tyres for easy manoeuvrability
- Spreader setting recommendations for multiple materials included

RRP £239

45-0533 Tow Trailer
- Tow model
- 650 lbs / 295 kg load capacity
- Unloads and dumps heavy materials in one easy stepping motion
- Durable cart cleans up easily
- 16” x 4” pneumatic tyres
- Quick and easy assembly

RRP £265

45-0463 Tow Broadcast Spreader
- Tow model
- 130 lbs / 56 kg capacity provides 25,000 sq.ft. coverage
- Professional style, easy set controls for precise application
- Enclosed commercial grade gear box for smooth rolling and easy maintenance
- Large pneumatic tyres for easy manoeuvrability

RRP £310

45-0348 Tow Trailer
- 300 lbs / 136 kg load capacity
- Poly bed is quiet and rust proof
- 30.5” / 77 cm (W) x 41” / 105 cm (L) x 11” / 28 cm (H) one piece bed
- Di-chrome hardware resists rust
- 5/8” / 1.5 cm diameter axle
- 14” / 36 cm x 4” / 10 cm pneumatic rib wheels

RRP £245

45-0345 Push Dump Trailer
- 350 lbs / 159 kg capacity provides 25,000 sq.ft. coverage
- Poly bed is quiet and rust proof
- 30.5” / 77 cm (W) x 41” / 105 cm (L) x 11” / 28 cm (H) one piece bed
- Di-chrome hardware resists rust
- 5/8” / 1.5 cm diameter axle
- 14” / 36 cm x 4” / 10 cm pneumatic rib wheels

RRP £225
WHY USE A SPRAYER?

Liquid fertilisers, herbicides and pesticides are convenient and effective for large lawn applications. Agri-Fab sprayers are available in two sizes: 15-gallon or 25-gallon. Both models include a hand wand for targeted spraying around trees and bushes, smooth rolling wheels for easy manoeuvrability and are compatible with ride-on lawn mowers from any manufacturer.

45-0292 Tow Sprayer
12 volt / 7 amp pump with battery connection wires inc.
68 litres / 15 gallon tank capacity
80” / 203 cm spray width using boom
15” / 457 cm coiled hose with spray wand
10” / 25 cm x 4” / 10 cm solid wheels
RRP INC VAT £499

45-0293 Tow Sprayer
12 volt / 7 amp pump with battery connection wires inc.
114 litres / 25 gallon tank capacity
80” / 203 cm spray width using boom
15” / 457 cm coiled hose with spray wand
13” / 33 cm x 4” / 10 cm pneumatic wheels
RRP INC VAT £579

WHY USE A SWEeper?

Using a lawn sweeper to clear away leaves, grass clippings and garden debris is quicker and easier on you and your lawn than using a rake.

45-0492 Tow Smart Sweeper
44” / 112 cm working width
One-Button brush height adjustment
25 Cu. Ft. hopper capacity
Offset hitch
Collapsible for easy storage
Exclusive, patent pending ergonomic dumping mechanism
Collector can be emptied from the driver seat
RRP INC VAT £510

WHY USE A ROLLER?

Tow behind rollers are ideal whether you’re looking to bed-in freshly laid turf, level-out mole hills, flatten frost-heaves or pack-down newly sown seed.
The push / tow compact 24” roller is suitable for smaller-scale levelling and sod-packing applications (45-0267),

45-0267 Push / Tow Roller
24” / 60 cm wide with 18” / 46 cm diameter
Poly construction for rustproof durability
Drum capacity 250 lbs (water)
Lightweight when empty, for easy transport and storage
Removable fill plug
RRP INC VAT £210
