

Our Tondu Garden and Lawn Tractor accessories offer a wide range of equipment including carts, de-thatchers, spreaders and rollers. To help you get the maximum out of your Lawn Tractor most Tondu products can be towed behind to help with your jobs around the garden.

Carts are ideal for loading/unloading soil, gravel and sand

A **dethatcher** will remove moss and thatch from your lawn

Spreaders are suitable for distributing fertiliser, grass seed and salt

A **steel roller** will help you achieve the traditional green stripes in your lawn

CARTS

UTILITY STEEL CART TSC500

The Tondu TSC500 Steel Dump Cart is ideal for unloading soil, gravel and sand as well as carrying tools, animal feed, landscaping materials and firewood.

A removable tailgate and foot pedal release help with loading and unloading and the cart can easily convert into a flat-bed trailer without the need for tools.

Suitable to use with all makes of lawn tractor, it has a capacity of 500lbs and a trailer bed that measures 97cm x 71.5cm x 30cm.

RRP
£175.00

RRP
£395.00

UTILITY STEEL CART TSC1200

The Tondu TSC1200 Dump Cart is ideal for unloading soil, gravel and sand with a capacity of 1200lbs and a large trailer bed that measures 150cm x 77.5cm x 51.6cm.

It features a foot pedal release mechanism for easy dumping and can be assembled in 25 minutes.

A multi hitch makes it suitable to use with all makes of lawn tractor.

T-HANDLE PUSH/TOW POLY CART TPC650

The versatile Tondu Poly Cart can be used with your lawn tractor as a tow behind trailer or as a hand wheeled cart with a comfortable T-handle.

The one piece poly bed is quiet and resistant to rust with a slanted tail end and foot pedal release mechanism for easy tipping.

With a 650lb capacity, it's a versatile choice for your garden.

£215.00

RRP
£249.00

TONDU QUICK ASSEMBLY STEEL CART TSC750

The Tondu TSC750 Steel Cart with a capacity of 750lbs has folding sides and can be assembled in less than 15 minutes. It features a foot pedal release mechanism for easy dumping including a safety lock pin.

The trailer bed measures 107 x 70 x 34cm.

A multi hitch makes it suitable to use with all makes of lawn tractor.

TONDU UTILITY POLY CART TPC1200

The Tondu TPC1200 Poly Dump Cart has a quick release tipper latch for its 1200lb capacity load.

It features a rugged polyethylene bed and all steel durable tilt and pivot frame with a powder coat finish. Sealed ball bearings mean no greasing is required.

RRP
£499.00

DETHATCHER

40" TINE DETHATCHER

TST40

The Tondu TST40 is a 40"/102cm steel tine dethatcher that used regularly will remove moss and thatch from your lawn to keep it looking at its best.

It features 20 heat treated steel spring-loaded tines for long life. The whole unit is constructed from steel and features a heavy-duty tray to add weight for extra penetration.

RRP

£125.00

SPREADERS

70LB WALK BEHIND SPREADER TPS70

RRP

£129.00

The Tondu TPS70 is a 70lb walk behind spreader that features a rate setting control on the handle for precise adjustments. With a spread width of 10' - 12' it will help you distribute fertiliser and grass seed.

The pneumatic tyres enable this spreader to be easily pushed along the ground and its rain cover ensures materials are kept dry.

125LB WALK BEHIND SPREADER TPS125

The Tondu TPS125 is ideal for medium to large areas, which may be difficult to access. The poly hopper can hold up to 125lbs/60litres and the spreader plate is rust proof ensuring long life.

The pneumatic tyres enable this spreader to be easily pushed along the ground and its rain cover ensures materials are kept dry. A rate setting control on the handle helps with precise flow adjustments. As with all our spreaders, it is suitable for both fertiliser, seed and ice melt.

RRP

£185.00

125LB TOW SPREADER TTS125

The Tondu TTS125 125lb is ideal for medium to large areas. The poly hopper can hold up to 125lbs/60 litres, whilst the spreader plate is rust proof ensuring long life. The pneumatic tyres ensure this spreader can be easily towed behind most lawn tractors with a tow bar and its rain cover keeps everything dry.

The flow lever can be easily operated from the driver's seat and can cover 25,000 sq. ft. suitable for use with both fertiliser, seed and ice melt.

RRP

£185.00

100LB WALK BEHIND SALT SPREADER TPSS100

RRP

£249.00

The Tondu TPSS100 is a 100lb walk behind salt spreader that can also be used for fertiliser and seed. It features a rate setting control, 12" pneumatic tyres, stainless steel parts and a spread width of 10' - 12'.

125LB WALK BEHIND SALT SPREADER TPSS125

The Tondu TPSS125 is a 125lb walk behind salt spreader for fertiliser, seed and salt.

With a rate setting control, 14" pneumatic tyres, stainless steel parts and solid linkage.

RRP

£349.00

ROLLER

36" STEEL ROLLER TSR36

TSR36

The Tondu TSR36 heavy duty puncture proof Steel Roller helps you achieve the traditional green stripe lawn effect as well as packing down new sod, seed and unlevel ground.

The easy fill fitting means you can add water or sand easily to adjust the pressure placed on the ground - use less for soft ground and more for hard ground. It can be towed behind most Lawnflite lawn tractors or ride-on mowers.

RRP

£235.00
