# WARRIOR ECO POWER EQUIPMENT

- ✓ Warrior Eco Power Equipment offer cordless battery powered lawn mowers, trimmers, hedge cutters, leaf blowers and chainsaws for your garden. Our goal is to deliver an exceptional experience for all our customers both large and small.
- ✓ Warrior Eco Power Equipment forms part of BPE Holdings, which already brings you quality brands such as Warrior Winches, LTPRTZ Automotive LED Lighting and Champion Power Equipment. We are committed to continuously strengthening our brands and products to improve our competitive position and accordingly all of our cordless garden tools are backed with **a three year warranty** and all products carry a **30 day no quibble money back guarantee**.
- ✓ Our range of garden equipment has been produced to take advantage of the advancements in battery powered tools as we strive to take on the challenge of a world that is moving away from petrol products to a greener solution.
- ✓ The advantages of battery over petrol engines speak for themselves and we trust you will enjoy using these products in your gardens. From the start, we have specifically insisted our batteries should fit across the entire range, making Warrior Eco Power Equipment not only greener, but a more cost effective option too.
- ✓ From first contact our dedicated and talented staff will seek to provide you with the information and products that you require to make your gardening life easier and more enjoyable. We are straight talking, efficient; supportive and relentless in our desire to make you our number one priority.

Happy gardening!

## 60V Battery Powered Chainsaw

### Description

Presenting the new Warrior Eco Battery Powered Chainsaw providing both cordless mobility and effortless chain blade cutting power. It features the all-important “safety button” and has an automatic lubrication system to help maintain the operation of the chain blade. At only 3 kg, the Warrior Eco Battery Powered Chainsaw is so lightweight and easy to handle.

This chainsaw has a no load speed of 0-6600 RPM but engages “intelligent speed control” when in operation. This clever function helps to keep you safe and secure when operating your cordless chainsaw. With a low vibration design, this amazing battery powered chainsaw will provide solutions for all your trimming needs.

### Features

- ✓ Brushless motor
- ✓ Emergency braking
- ✓ Interlock switch
- ✓ Chain automatic lubrication
- ✓ Multi-function indication
- ✓ Battery charge indication
- ✓ Integrated Side plate lock-nut
- ✓ Small size
- ✓ Light weight
- ✓ High power
- ✓ Portable
- ✓ Low Noise
- ✓ Low vibration
- ✓ Easy to operate
- ✓ Comfortable and durable

### No More Messy, Smelly Petrol

### Highlights

- 1. 16" CHAIN & BAR**  
For increased cutting capacity.
- 2. LIGHTWEIGHT**  
At 2.4kg, believed to be the lightest chainsaw on the market.
- 3. 2.5Ah BATTERY**  
Powerful Samsung Lithium Ion battery for extended run times.
- 4. AUTO LOCK**  
For maximum user safety.
- 5. WRAP AROUND HANDLE**  
For your comfort & easy of use.
- 6. BRUSHLESS MOTOR**  
For monumental power and superior performance.

## 60V Battery Powered Lawn Mower

### Description

Mains powered corded mowers are a pain to use and most people don't want the hassle of a petrol option. Hence, with a sturdy iron chassis weighing in at only 25kg. In addition, a large 19 inch cutting width with a low noise and vibration design.

The Warrior Eco Cordless Mower is self propelled and uses an automatic 6 speed drive function. Which as a result means it simply has to be steered and it will do all the hard work.

It also has brushless motor technology. Meaning that it can adjust its power level dependent on the difficulty of the terrain. Firstly making it less noisy and more compact. Secondly making it lighter and allows it to deliver up to 40% more power. With 6 different cutting height levels and a 60L grass collecting bag.

### Features

- ✓ Metal iron chassis.
- ✓ LED light.
- ✓ Solid and safe.
- ✓ Brushless motor with high power.
- ✓ Self-propelled speed regulation.
- ✓ Fast folding operation handlebar for convenient storage and transportation.
- ✓ Automatic identification of dual battery pack system.
- ✓ Working time: 30 min.
- ✓ Low noise.
- ✓ Low vibration.
- ✓ Easy to operate.
- ✓ Comfortable and durable.

### 3 Year Warranty

### Highlights

- BRUSHLESS MOTOR**  
For monumental power and superior performance.
- 2.5Ah BATTERIES**  
Powerful Samsung Lithium Ion Batteries.
- VARIABLE SPEED DIAL**  
Controls the pace of your cutting.
- 60L COLLECTION BAG**  
Made for a longer lasting cut.
- 6 LEVEL WHEEL HEIGHTS**  
Easily select multiple cutting heights of your choice.
- 20" COMPOSITE DECK**  
Robust design, lightweight & maneuverable. Rust free.
- FOLDS**  
For easy storage.

**SELF PROPELLED**

### Specifications

sku	MWEP82423M
