IMPORTANT INFORMATION

WARNING

Read this instruction manual carefully before operating this machine. Make sure that you are familiar with the controls & properly operate the machine. Following these instructions can reduce the risk of personal injury.

IF NOT USED PROPERLY THIS MACHINE CAN BE DANGEROUS!

This machine can cause serious injury to the operator and others, the warning and safety instructions must be followed to ensure reasonable safety and efficiency in using this product. The operator is responsible for following the warning & safety instructions in this manual and on the machine. Never use the product unless the components are correctly positioned and operational.

TRAINING

Read the instructions carefully: Be familiar with the controls and the proper use of the equipment.

Never allow children or people unfamiliar with these instructions to use the product.

Local regulations can restrict the age of the operator.

Keep in mind that the operator or user is responsible for accidents or hazards involving the machine that occur to other people or their property.

(Monday to Friday: 8.00am to 5.30pm excl. Bank Holidays)

INTENDED USE

The Handy Wheelbarrow is designed for use in private gardens and primarily used around **GRASS OR LAWN AREAS**, but not in public facilities, parks or sports grounds and not for agricultural or forestry use.

This is a domestic wheelbarrow, therefore extended use over abrasive surfaces (e.g. concrete, tarmac or uneven ground etc.) could cause premature wear on the tyre. Commercial or industrial environments are not recommended.

Compliance with this manual supplied by the manufacturer is a prerequisite for the proper usage of the machine. The operating manual contains servicing and maintenance instructions as well as directions for use.

SAFETY INSTRUCTIONS

Read and understand the owner’s manual and labels affixed to the product. Learn its application and limitations as well as the specific potential hazards. Retain these instructions for future reference.

The operator is responsible for following the warnings & instructions in this manual and on the product.

WARNING LABELS/SYMBOLS

	<p>Read & understand operator’s manual before using the machine. Failure to follow instructions could result in death or serious injury.</p>	 <p>MAXIMUM WEIGHT</p>	<p>The maximum weight capacity of 100kgs must not be exceeded. Failure to adhere to this information, could cause potential personal injury hazards.</p>
	<p>Use safety equipment. Always wear eye protection. Safety equipment such as a dust mask, non-skid safety shoes, hard hat, and heavy duty work gloves used for appropriate conditions will reduce personal injuries.</p>		<p>Safety alert symbol. Used to alert you to potential personal injury hazards. Obey all safety messages that follow this symbol to avoid possible injury.</p>
 <p>DANGER</p>	<p>Indicates an imminently hazardous situation which, if not avoided, will result in serious injury.</p>	 <p>WARNING</p>	<p>Indicates a potentially hazardous situation which, if not avoided, could result in serious injury.</p>
 <p>CAUTION</p>	<p>Indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injury.</p>	<p>CAUTION</p>	<p>Used without the safety alert symbol, indicates a potentially hazardous situation which, if not avoided, may result in property damage.</p>

STAY ALERT

Do not operate the machine while under the influence of drugs, alcohol, or any medication that could affect your ability to use it properly. Do not use this machine when you are tired or distracted from the job at hand. Always be aware of what you are doing. Use common sense.

AVOID DANGEROUS CONDITIONS

Make sure there is adequate surrounding workspace. Cluttered areas invite injuries.

Keep your work area clean with sufficient light. Keep the area around the machine clear of obstructions, grease, oil, rubbish and other debris which could cause persons to fall onto moving parts.

INSPECT YOUR MACHINE

Check all bolts, nuts, and screws for tightness before each use, especially those securing guards and drive mechanisms. Vibration during use, may cause these to loosen.

Form a habit of checking to see that all other tools/equipment are removed from the working area before turning it on.

Replace damaged, missing or failed parts before using it. Warning labels carry important information. Replace any missing or damaged warning labels.

DRESS PROPERLY

Do not wear loose clothing, gloves, scarfs, neckties or jewellery (rings, wrist watches), which can be caught in moving parts. Protective electrically non-conductive gloves and non-skid heavy duty footwear are highly recommended when working. Wear a face or dust mask if the operation is dusty. Always wear safety glasses/goggles and/or face shields. Everyday eyeglasses have only impact resistant lenses; they are not safety glasses/goggles. Wear protective hair covering to contain long hair, preventing it from getting caught in machinery.

KEEP BYSTANDERS AND CHILDREN AWAY

Keep unauthorised persons a minimum distance of 10 metres away from the machine. If approached, stop the machine immediately. Do not allow children to handle, climb on or in the wheelbarrow. Do not at any time allow anyone to sit or stand on the Wheelbarrow.

DO NOT OVERREACH

Always keep proper footing and balance when using the wheelbarrow. Serious injury could occur if the wheelbarrow is tipped or if the moving parts are unintentionally contacted. Do not store anything above or near the machine, where anyone might stand on the wheelbarrow to reach them.

AVOID INJURY FROM UNEXPECTED ACCIDENT

Keep hands & feet out of the way of all moving parts. Do not place any part of your body or any tool e.g. in the machine during operation.

DO NOT FORCE TOOL

Do not exceed the equipment maximum load capacity of 100kg. Always ensure that your load is evenly distributed. Do not try to carry loads that make the Wheelbarrow unstable.

NEVER LEAVE MACHINE RUNNING UNATTENDED

Do not leave your machine unattended until it has come to a complete stop.

MAINTAIN YOUR MACHINE WITH CARE

Clean the wheelbarrow immediately after use. Keep the machine clean to ensure it operates to its full & safest performance. When maintaining, only the manufacturer's original replacement parts should be used. The use of non-original manufacturer parts may invalidate your warranty.

PROTECT THE ENVIRONMENT

Take left over materials to an authorised collection point or follow the stipulations in the country where the machine is used. Do not discharge into drains, soil or water.

STORE IDLE EQUIPMENT

When not in use, the machine should be stored in a dry location. Keep the machine away from children and others not qualified to use it.

ASSEMBLY

Remove the product & contents from the carton.
Be sure the carton is empty before discarding.

If you require any assistance with regards to the contents of machine, please contact us:

Tel: 01793 333212

Email: customerservice@handydistribution.co.uk

(Mon to Fri 8.00am – 5.30pm excl. Bank Holidays)

Do not completely tighten screws until the assembly is complete.

For easier assembly, we recommend two people assemble this product.

1. Attach Lower Frame (3) into the Handle (2), by using M8x40 Bolts (5) & M8 Nuts (6).
2. Insert M8x40 Bolts (5) through the Tray (1) & Handle (2), by using M8x40 Bolts (5) & M8 Nuts (6).
3. Attach the Wheel (4) onto Lower Frame (3) by passing M12x120 Long Bolt (9) into Spacer M12x96 (10) and M12 Washer (7) & M12 Nut (8).
4. Attach the cross-brace (11) onto frame (3) by Bolts M8x40 (5) & M8 Nuts (6).
5. Secure all the nuts & bolts carefully before using the wheel barrow.

5	TH228-5	M8x40 Bolt		8
6	TH228-6	M8 Nut		8
7	TH228-7	M12 Washer		1
8	TH228-8	M12 Nut		1
9	TH228-9	M12x120 Bolt		1
10	TH228-10	M12x96 Spacer		1
11	TH228-11	Cross Brace	N/A	1

Note: Some parts are listed & shown for illustration purposes only, & may not be available individually as replacement parts.

GJ HANDY & CO LTD USER WARRANTY POLICY

Users Statement of Warranty

Each new machine is warranted against defective material or assembly of material under normal usage. The warranty applies to the original purchaser and covers faulty parts and the labour involved in replacing and repairing those parts, which are of original manufacture.

Period of Warranty

All Webb & Webb Pro machines plus Sanli engines.

- a) 2 years from the original date of sale to the first domestic user.
- b) 90 days from the original date of sale to the professional/commercial user.
- c) 90 days from the original date of sale when used for hire.
- d) A reduced warranty period of 90 days applies to those items which are subject to normal wear and tear (e.g. but not limited to wheels, tyres, cutter bars, cylinders, blades, belts, cables, grass bags, spark plugs).
- e) Engines as per the manufacturer's warranty statement which will be supplied with the machine.
- f) 90 days from the original date of purchase for Replacement Spare Parts (unless normal wear & tear component, which are covered for 30 days).
- g) All machines' must be serviced within the first 12 months from the original date of purchase to comply with the warranty, failure to do so will invalidate the 2nd year of the warranty.

All Handy, Mowerland and Q-Garden products.

- a) 1 year from the original date of sale to the first domestic user.
- b) 90 days from the original date of sale to the professional/commercial user.
- c) 90 days from the original date of sale when used for hire.
- d) A reduced warranty period of 90 days applies to those items which are subject to normal wear and tear (e.g. but not limited to wheels, tyres, cutter bars, cylinders, bottom blades, belts, cables, collection bags, spark plugs).
- e) Engines as per the manufacturer's warranty statement which will be supplied with the machine.
- f) 90 days from the original date of purchase for Replacement Spare Parts (unless normal wear & tear component, which are covered for 30 days).

All warranty repairs must be undertaken by an authorised service dealer. These dealers have been accredited by GJ Handy & Co Ltd and agree to only use genuine parts and follow our repair procedures.

GJ HANDY & CO LTD USER WARRANTY POLICY

Not covered by this warranty

- a) The warranty policy does not cover any depreciation or damages caused by ordinary wear, rusting or corrosion, lack of correct maintenance or operation, misuse, abuse, lack of transportation or accident.
- b) The warranty policy does not cover any costs necessary for the standard periodic maintenance services instructed by the operator's manual, or service parts replacement which would include oil, filters, tyres, belts, brake linings, fuses, blades, seals and other service parts unless it can be proven that the item has evidence of faulty manufacture.
- c) The warranty policy will not cover failure or damage caused as a result of parts or accessories being modified without the written approval of GJ Handy & Co Ltd.
- d) The warranty policy will not cover the unit if non-genuine parts have been fitted and as a result damage has occurred to the unit.
- e) The warranty policy is non-transferable and is only applicable to the original purchaser.

Disclaimer

- a) This warranty is only a remedy for defect of products. GJ Handy & Co Ltd will never warranty in terms of the merchantability or the fitness for a particular purpose.
- b) No person is authorised to make any warranties, representations or promises, expressed or implied, on behalf of GJ Handy & Co Ltd, or to modify the terms conditions or limitation of this warranty policy in any way.
- c) Neither GJ Handy & Co Ltd nor any company affiliated with GJ Handy & Co Ltd shall be liable in any event or manner whatsoever for incidental or consequential damages or injuries, including, but not limited to, loss of crops, loss of profit, out of pocket expenses or profits, rental of substitute equipment or other commercial losses.

General

- a) Most warrantable failures show up within the first few weeks of use. These failures are usually straightforward and warranty assessment is relatively easy.
- b) Failures relating to cutter decks and belts need careful investigation, as the cause may not always be straightforward. Look for damage to blades and pulleys especially when the cutter belt or blade boss have snapped or cracked as this could be due to impact damage.
- c) Customers should always refer to the operator/instruction manual when any disputed problem arises, you will find most areas covered within the manual.
